

ICS 300

(For expanding Incidents)

16 Hours (2 or 2.5 days)
Accredited by The Nautical Institute

Course Description: This course has been developed from the FEMA (Federal Emergency Management Agency)

This course is intended for individuals who may assume a supervisory role in expanding incidents or Type 3 incidents. Prerequisites for the course are the ICS- 100 and ICS-200 courses. This course covers organization and staffing, organizing for incidents and events, resource management, and air operations.

ICS-300 provides training and resources for personnel who require advanced application of the ICS. The course expands upon information covered in the ICS-100 and ICS-200 courses. This course is intended for individuals who may assume a supervisory role in expanding incidents or Type 3 incidents.
